Słownik polsko - niemiecko - turecki

04.06.2014 r.

Podczas wizyty uczniów i nauczycieli ze szkół Tureckiej i Niemieckiej w Zabrzu odbyły się warsztaty. Zarówno goście, jak i nasi uczniowie tworzyli wspólnie słownik polsko-niemiecko-turecki dotyczący podstawowych wyrażeń potrzebnych w komunikowaniu się. Wspólne działania pomagały w nawiązaniu międzynarodowych koleżeńskich relacji.

A oto efekty naszej wspólnej pracy:
